- Technical: Bluebeam Revu, Construction Docs, FF&E Spec, Code Compliance.
- Languages: English & Chinese (Mandarin).

### WORK EXPERIENCE

#### PEACOCK PARTNERSHIP

Interior Designer of Healthcare | 2025-Present

- Delivered all design phases for 20,000+ sq. ft. healthcare projects, specializing in the spatial layout and technical development of high-complexity dental clinics.
- Facilitated comprehensive CD sets while coordinating MEP requirements and submittal reviews to ensure seamless project completion.
- Mentored junior designers on technical standards and design workflows to enhance team productivity.

#### B+G ART DESIGN WORKS

Creative Director | 2025

- Managed end-to-end interior design for retail and hospitality projects, directing all phases from concept to CD.
- Led vendor coordination, managing shop drawings and purchasing to ensure cost-effective project delivery.

#### BHDP ARCHITECTURE

Interior Designer of Retail and Workplace | 2022-2025

- Conducted field surveys and CD set production for 50,000+ sq. ft. retail and workplace projects, ensuring strict compliance with IBC and ADA codes.
- Streamlined space planning and FF&E lifecycle, coordinating with MEP consultants and vendors on shop drawing approvals to ensure technical integration.
- Developed high-fidelity 3D visualizations and strategic presentation decks to secure client approval and communicate design intent.

#### SOOCHOW GOLD MANTIS LANDSCAPE CO., LTD.

Interior Design Intern of Hospitality | 2019

- Produced CD sets and technical detailing for a museum project, integrating local cultural motifs and sustainable FF&E specifications through rigorous material research.
